  Use this port to coonet with the peer
  9090
  Enter their address:
  192.168.198.111
  Enter their port:
  9090

  Trying to reach your friend at 192.168.198.111:9090...
  Connection successful! Chat away!
  When you're done, just type 'EOM'

  [Send]:
  Hii Anurag
  [Send]:

  [Received]: Hii Gulsahn
  [Send]:
  How are you bro ?
  [Send]:

  [Received]: i am fine
  [Send]:

  [Received]: and what about you?
  [Send]:

  [Received]: i have to go
  [Send]:

  [Received]: byee
  [Send]:

  [Received]: EOM
  [Send]:
  E
  Looks like your friend stepped away.
  EOM
  [Send]:
  EOM
  Something went wrong with the chat: [Errno 32] Broken pipe
